

## Demographic

Female 27 years

Zambia

Married

Community Volunteer

## Goals

I want to help to give my family a better life and to help others in my community.

## Background

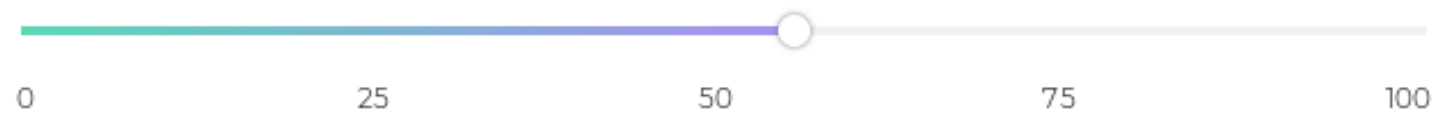

Zaari arrived in the UK with her husband and daughter. Her husband has a low skilled job They had hopes of joining other family members in the UK. Zaara has gone on to have another child and both children are now in pre school and primary education. She has no formal qualifications but used to help with the children in her village in Zambia. She has been volunteering with a mother and toddler group in her local community and working to improve her English language. She would like to work with children in a nursery school.
